Diane,  
I'm taking care of COL Hudson's travel arrangements. He has a rental car and Mark Meacham, our PM will be joining him I believe.

Thanks for the information.

Kim

All,

Not sure who is now working on Colonel Hudson's travel so I am forwarding the suggestion and Agenda (below). Libby is pretty remote.

I have also let Mike know that Colonel Hudson will only be on the Libby tour and will depart early on June 5.

Thank you.

Hi Diane,

The Schedule below should work fine. I would suggest the colonel get a rental car as taxi service from Kalispell to Libby would be outrageously expensive and hard to find. I don't see why Doug would need a car.

I appreciate you checking on things, it is always better to know then have to worry about it later.

We like to have some flexibility on our site as it is a large area and many items to take in.

**Draft Trip Itinerary:**

- June 3 - Fly into Kalispell, MT.
  - Christina Drives Doug and Betsy to Libby, MT
  - Colonel take taxi or rental car to Libby, MT
  - Check in at the Venture Inn
  - Grab Dinner.
- June 4 – Libby Activities.
  - **Meet and Greet at the Venture Inn for Breakfast.**
  - **Head to Information Center for site information and site tour**
  - **Site Drive tour to visit all Operable Units**
  - **lunch**
  - **Meet with Lincoln County Commissioners?**
  - **Dinner and then Mike drives everyone to Kalispell?**
- June 5 – Columbia Fall activities.
  - **Breakfast**
  - **Head to Columbia Falls Aluminum Facility**
  - **Meet and Greet – I plan on inviting Congressional staff and City officials to join for tour**
  - **Site Tour**
  - **lunch**
  - **Q&A following tour**
  - Return to Airport
